La circonscription associée à l'organisation peut ne pas être exacte dans certains cas car les frontières des circonscriptions et les codes postaux sont sujet à changements.

NOTES:

This list represents organizations and amounts paid on Canada Summer Jobs agreements for activities that took place in 2010. Information is based on system data available as of November 07, 2010 and may vary from final financial reports. The constituency is based on the location of activities using postal code information. Because both constituency boundaries and postal codes are subject to change, constituency associated to the organization may not accurately be reflected.
